**Our aim is to allow our clients to take part in mainstream activities, allowing them the opportunity to build on their independence, communication, and confidence skills.**

**Towards the latter end of 2016 we were extremely grateful to be offered the opportunity to be offered free sessions by the Leicestershire and Rutland Youth Sailing Association at Market Bosworth. A group of our clients had a fantastic time on the water and thoroughly enjoyed the sailing. The group's confidence grew each week and with the invaluable support of the instructors they looked forward to each session. The instructors showed great patience and support and made our client's feel totally at ease.**

**We would like to take this opportunity to say thank you for giving us this opportunity and should we have the chance to participate in sailing this year we would be delighted.**

**Kind regards**
